DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The most related references are Brown et al. (US. Pat. #: 7,003,286), Toda (US. Pat. #: 6,275,731) and Chang et al. (Pub. No.: US 2003/0109243). They fail to teach:

In a wireless communication device, a method for use in reestablishing a data connection with a wireless data network comprising:

maintaining a data connection with a wireless communication network; and

if the wireless communication device is *powered off during an out-of-coverage condition* with the wireless communication network:

after the wireless communication device is powered back on, transmitting a message to the wireless communication network which causes one or more network parameters associated with the data connection to be reset, as recited in the method claim 1. Similarly, the prior art of records also fail to clearly such features in the independent claims 9 and 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
